EURODESIGN VANITIES

The amazing DreamLine™ EuroDesign Ceramic Sink Vanity collection offers style, storage, superior design and lots of substance. From traditional looks to modern styles - there is much to choose from. Small, medium or large; light wood finish or dark; single sink or double - most of the vanities in this collection have natural stone countertops and high quality porcelain sinks. Some of the EuroDesign vanities come with an elegant single piece porcelain countertop sink - which is both beautiful and easy to care for. Add an optional mirror or choose a special faucet to customize the vanity of your choice.
